April 18, 1956
Moss Point, High School

Dear Gladys,

Looks like the school is almost gone,
but I haven't shed a tear over the matter.
And won't, as a matter of fact. It seems as
though this year has been very successful
in finding a nice friend like you. I'll
never forget all the good times we've had through
school and also out of school. Always remember
the day we went shopping at Bibb's. I know
you can't forget that (even if you tried).

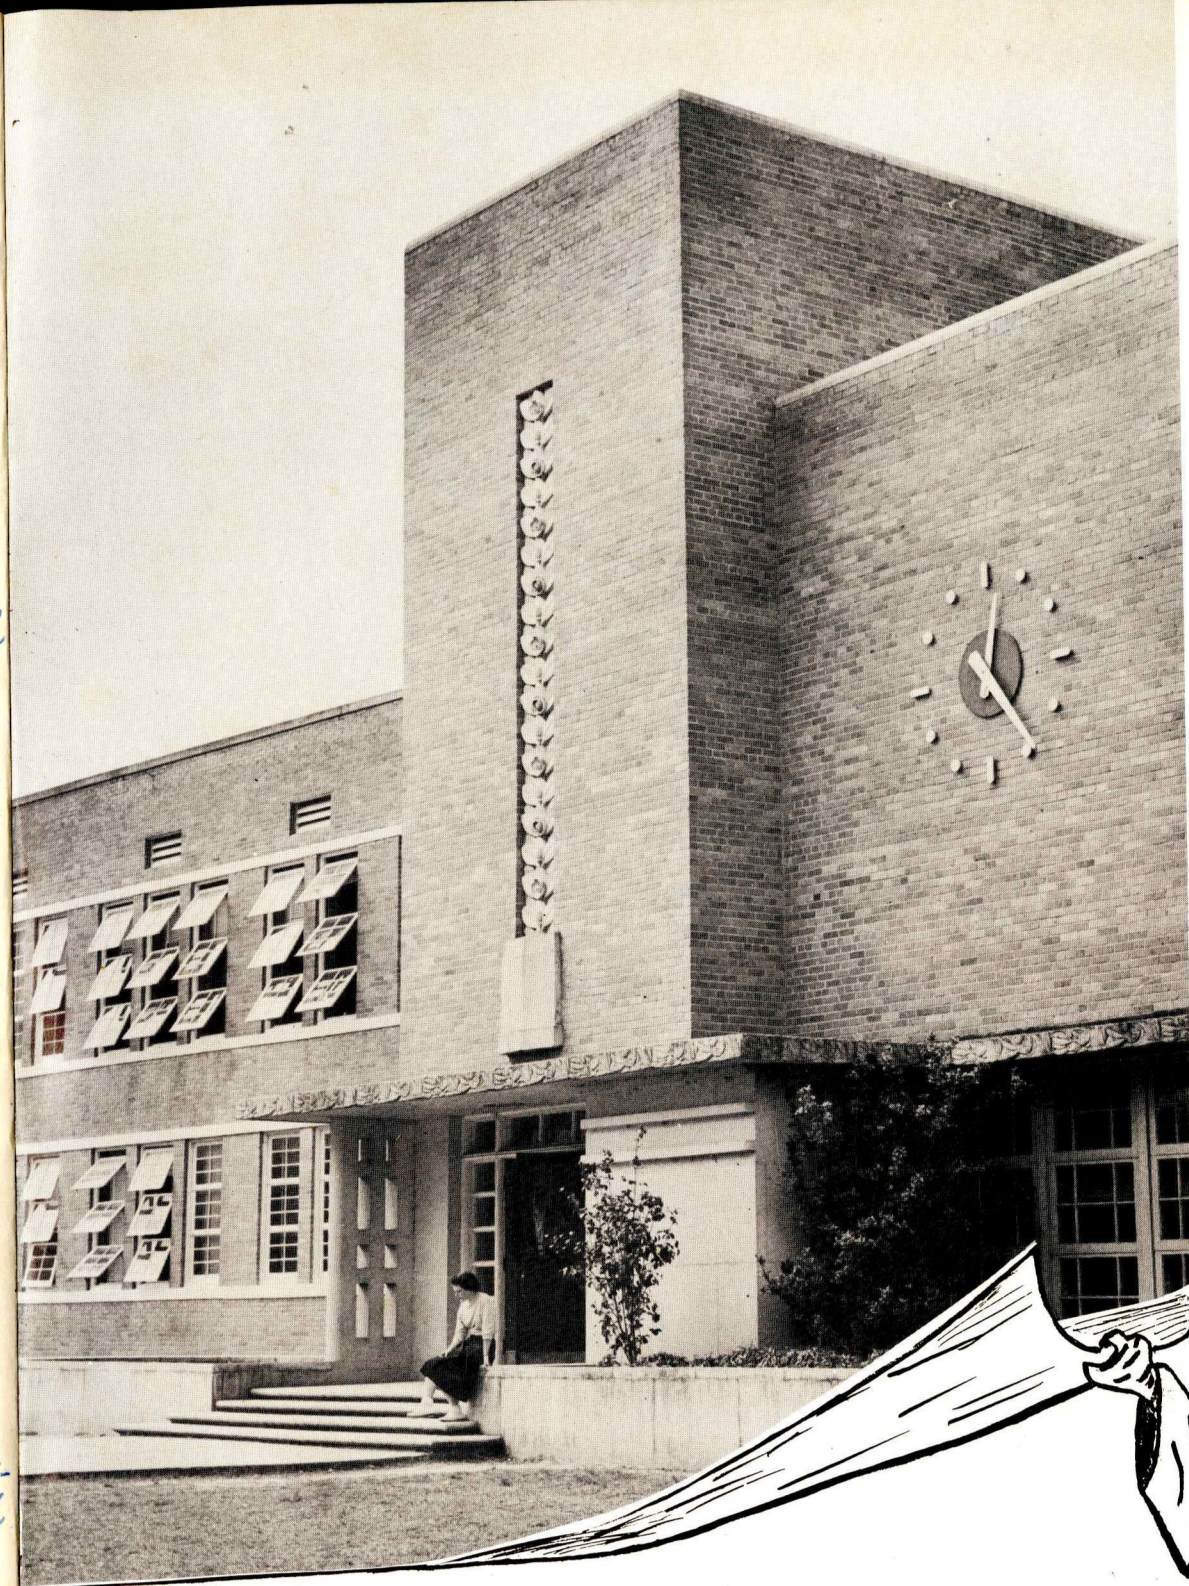

Looks like little Nash Ramblers are becom-
ing popular these days. I find they are very
attractive. How about you? Ever though Thelma's
"little" Nash was recognized by all the service
stations. "Never forget how we proudly said,
"Filler up with Water, Please!"

Say Gladys, what's good for a toothache?
It seems as though doctors aren't needed these
days.

I've learned a lot about cars in the last few weeks.
Especially if they don't have keys. It seems as though
it not only taught me how to start one but a romance
was born.

In your Ocean of Memories keep me as
a permanent wave.
A friend Always a rambling
Buddy.

The Student Council of 1955-56 has done its best to continue the good work of the 1954-55 Council. Our efforts have been extended toward a goal of achieving unity of the whole student body. Encouragement was given to all organizations in our school, so that every student had the opportunity to express himself in the extra curricular activities. In addition, we have tried to help our administration and faculty to maintain a high standard of scholastic achievement.

The Y-Teens started their year with one of the largest memberships in the club's record. Memories that linger will be of the Christmas formal, the Farmer's Ball and the fellowship with friends, old and new at state conferences.

THE "M" CLUB

Only boys who have earned a letter in one of the major varsity sports are eligible for membership in this club. These are the boys who represent M. P. H. S. in various athletic events and have been recognized for their skill and prowess, strength of mind and body, and their willingness to accept defeat easily.

They have held high the banner of Truth and Virtue on the athletic field, and have learned to take the bitterness of loss, or the sweetness of victory, with a sportsman's attitude.

THE GROWLER

It is my pleasure to present to you the 1956 Growler. I turn this book over to you--you can take it with you to recall the people and things that filled your year at school.

It has been a pleasure and if it pleases you, my fondest hope is fulfilled. In the event that errors are found, I offer apology to the individuals concerned and ask their indulgence.

Much credit should be given to our advisor, Mr. Tom Cook, who has worked faithfully and diligently.

TIGER FLASH

We, the Tiger Flash staff, do sincerely appreciate the support given us by the student council, the student body, and the administration in aiding to fulfill the policy of the paper.

Our objectives in publishing the paper have been to serve as a medium between the student council, the administration and the student body, to inform the students of school and community happenings, and as a record for the Alumni.

It has been a pleasure compiling the paper and we hope it has served its purpose.

Our school is very proud of the M. P. H. S. Band, both for its marching and playing ability. The bright uniforms and stirring music catch the eye and ear at ball games and parades.

Besides sponsoring the annual Carnival Ball, the band gives a spring concert each year.

With the outstanding talent of the members of the band, and the capable leadership of our director, Mr. James R. Bishop, the band can look forward to an even better year of music next year.

TIDE CLUB

The Trade, Industrial, and Distributive Education Club was organized this year to provide a medium for the exchange of ideas, methods and information pertaining to Vocational Education.

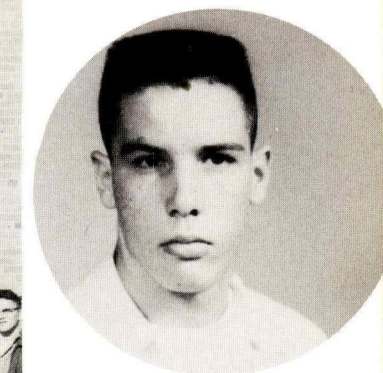

These girls and boys, organized into two 4-H groups, try to exceed in every phase of their theme--Head, Heart, Health, and Hand. At monthly meetings, demonstrations are given to help each student "make their best better."

The thrill of induction, the excitement of first meetings and first pins, the satisfaction of completing projects... all this was a tangible part of being a member of the Beta Club; but the intangible part went even deeper, to the solemn dignity and responsibility of carrying out the Club's ideals: achievement, character, and leadership.

With such lively cheerleaders to lead the way, the pep squad showed real sparkle and enthusiasm this year. Yells in pep rallies raise the roof and inspire the team to try harder.
